NIVOM INTERIORS L.L.C

ISO Certified Company
Customized Interior Fit-Out Solutions

ABOUT US

NIVOM is a group of professional management & engineering experts diversified into different disciplines. We ensure client satisfaction with time-bound deliveries and cost effective solutions.

NIVOM offers a wide range of services to our clients, mostly in the field of Interior Fit-Out, Civil & MEP works. Our team members are well experienced and accustomed to the latest know-how in the relevant field. We also partner with our associated companies for specialized services as per the requirements of the client / consultants, to ensure that project objectives are met as per the required quality standards.

We do provide services in the commercial, industrial & residential sectors. We provide round the clock services including on call facilities to achieve the requirements of the clients.

OUR VISION

Deliver Projects to the highest quality standards and to be the most preferred partner for clients.

OUR CULTURE

We conduct in-house training, prioritize health check-ups to the employees periodically and literate them with the latest happening in the industry as per the government norms.
